E-Safety

Dear Parents & Carers

I am writing to you regarding a serious matter involving one of our year 5 pupil's 'Instagram' accounts. This pupil has received extremely offensive messages which are currently under investigation by the police.

In order to keep your child safe using social media e.g. Instagram, Snapchat, it is essential that their account is private and that parents & carers regularly monitor usage.

As part of our ICT curriculum and through assemblies we regularly teach the children about E-safety, however as much of their interaction through social media happens at home, it is vital that they are aware of the dangers and that you know who they are talking to.

Our coffee morning this Thursday is about E-safety with a guest speaker from Avon & Somerset police. Please attend if possible. We will post any information given out on our website.

If you have any questions or concerns regarding this matter please do not hesitate to contact your child's class teacher.

Yours sincerely

Sarah Biss

Acting Headteacher
