Dear Parents/Carers,

Sports Day 2017- Thursday 22nd June 2017

As we have entered Term 6, this can only mean one thing...Sports Day is around the corner! We have been working extremely hard to prepare for the day and we are sure it will be a day that the children and parents thoroughly enjoy. Please find specific details about the morning and afternoon below, along with some important general information:

Infants Sports Morning (Nursery, Reception, KS1) – 9.00am-11.45am

- Our Infants will kick Sports Day off with a series of track races and a rotation through some field events.
- Like last year, children will race in **classes** rather than for their houses. This was decided to allow children to participate in more races and for greater supervision of pupils.
- Each class will have a slot on the track for some traditional Sports Day races, and then they will rotate through some jumping, throwing and agility challenges. The scheduled track times are as follows:
 - 9.10-9.35: **Star**
 - 9.35-10.00: **Moon**
 - 10.00-10.30: **Nursery**
 - 10.30-10.55: **Venus**
 - 10.55-11.20: **Pluto**
 - 11.20-11.45: **Mars**
- Reception and KS1 will have a fruit snack and toilet break back in school between 10.00 and 10.30am.
- Infants need to arrive at school in normal PE kit with suitable shoes for running outside.
