KS2 Home Reading Challenge.

Friday 3rd November 2016

Dear Parents and Carers,

Read your way around the world!

We are pleased to relaunch The Reading Miles Global Challenge. This is an exciting challenge which encourages your child to read at home with an adult. Even if your child is a 'free reader' it is essential that they still have opportunities to read aloud, have discussions and answer questions about the book they are reading. We asked children what they enjoyed most about reading and an overwhelming majority said it was being listened to when reading aloud.

How it works

- Children have nine journeys to complete over the school year travelling around the world.
- Each destination is worth **10 minutes** of reading with an adult at home.
- We ask you to **sign their reading passport every time they read for 10 minutes with you or another adult.**
- Once they have collected enough signatures to complete each journey, they will receive a certificate and two book tokens to use in the book swap shop.
- Their passport needs to come to school every day along with their reading records and reading books.

We really hope that you can support us with this exciting initiative and help to motivate our children to love reading. The children are really excited and can't wait to get started.

Yours sincerely,

The KS2 Team
