

# Midsomer Norton Primary School

Head teacher: Mr Alun Randell

Dear Parents/ Carers,

I would like to say a big well done to all of our Year 6s for their efforts this week in their Key Stage 2 SATs. They can all be very proud; their attitude and determination has been fantastic! They are a credit to Midsomer Norton Primary School. Thursday 25<sup>th</sup> May, we have a Celebratory Post SATS breakfast. Please look out for the letter sent home today!

Relaxing in the sunshine after the SATs

And, of course, the ground work starts much earlier. It has been lovely to see examples of children challenging themselves across the school. Children in Reception have been learning all about sun-safety and I have seen many examples of wonderful written instructions for how to stay safe. Year 1 and 2 have been writing their versions of Monkey Puzzle - a special mention goes to Harvey and Blake for excellent work! Year 3 and 4 have been investigating teeth and the corrosive effect of different liquids on calcium by suspending eggs in a range of liquids. And in Year 5, I have been very impressed by our Year 5 mathematicians. Thank you, Joseph, for teaching me how to transform 5 digit numbers into binary!

## "Try Tennis for Free"

Camvale Tennis Club (Paulton) is once again opening up their courts for anyone to play tennis for free, albeit on their own or with their family. Various sessions will be available during Sunday, 14 May from 9:30am until 5:00pm and bookings can be made on-line at: [www.lta.org.uk/gbtw](http://www.lta.org.uk/gbtw). Rackets and balls will be provided so all that is needed is suitable footwear.

## School Uniform

Please remember that all children are expected to wear school uniform at all times. This includes wearing the correct PE kit. In particular, please make sure children have trainers or plimsolls for PE. Heavy skate boarding shoes are not suitable. Also, please do not send your child to school with dyed hair, extreme hairstyles or jewellery.

## Security

Please ensure that if you are visiting either before or after school that you exit via the main entrance and ensure that the door is closed after you. Parents who need to enter the building after school to see a teacher or to look for lost property should remember to sign in. Many thanks for your help with ensuring that the building is secure.

Have a great weekend!

## Library Books

There are a lot of library books overdue. Please ensure they are returned as soon as possible.

## Fidget Spinners
