## Rainbow Reading Challenge

Dear parent/carer,

One of our main school priorities this year is to raise the profile of reading both in school and at home. Following the success of the Rainbow Reading Challenge in previous years, we are excited to re-launch this initiative. Learning to read is one of the most important skills your child can learn, and this is designed to encourage children to read a range of books at home with an adult.

Each child will receive a rainbow book mark which can be signed by an adult every time they finish a book read at home. This can be any book as well as their reading books from school. After reading 7 books with an adult they will receive their rainbow reading certificate.

Each child will move through the colours of the rainbow (these are **not** linked to reading band colours) and will have their photo on our giant rainbow display in the KS1 learning area.

Good Luck and enjoy reading!

The Key Stage One Team
