Dear parents/carers,

We are looking for helpers to come into school to assist with reading. Learning to read is one of the most important skills which children can learn and frequent reading with an adult is incredibly beneficial to all children. Any time that you could offer to listen to children read in our school would be greatly appreciated by the team. We also extend this invitation to members of the extended family such as grandparents. We understand that you may not be able to commit to volunteering for the whole of the school year. If you are able to help in any way, please complete the grid below to indicate your availability.

For safeguarding purposes, regular volunteers will need to register with our school office and provide photo I.D. and proof of address. Also two character references are required; e.g. a current or ex colleague or family friend.

Many thanks,

The Key Stage 1 team.
