To the parents/carers of all Year 5/6 pupils

8th June 2017

Dear Parent/Carer,

Re: Sex and Relationships Education in Term Six

We are writing to inform you that we have organised a series of Sex and Relationships Education sessions for Years Five and Six in line with the National Curriculum. Our school nurse, Amanda Cowley, will run one session for Year Five and three separate sessions for Year Six. She will follow the plans set out by BANES council that are carried out in all primary schools for children of this age.

Prior to this, Amanda would like to run an informative session for parents and carers which will take place on **Thursday 15th June at 2:00pm** in the school hall. Amanda will give parents the opportunity to watch some of the materials the children will be shown in their teaching sessions and will give an overview of what the children will cover in these sessions. There will also be an opportunity for parents to ask any questions.

Yours sincerely,

The Year Five and Six Team
