Dear parent/ carer,

As mentioned in previous communications, Year 6 children will be having the opportunity to take part in cookery lessons at Somervale this term. They will be cooking scones and tortilla pizzas over two sessions.

Please ensure your child has the correct, pre-prepared food items as stated on the lists below ready for their session dates. It is essential that the children's ingredients are weighed out and ready for their session. Pupils will also need a tub or dish to take their food home with them (preferably named!).

Thank you for your continued support,
Miss Cole, Mrs Ross, Mrs Forster and Mrs Cook.
