Dear Parents and Carers

As you know, the Year 5 & 6 children have loved learning all about WWII and we would like to conclude our topic by hosting a VE Day street party, to which you are invited.

The event will take place on the afternoon of Thursday 22nd March at 2pm.

We would like the children to each bring a single plate of food which might have been available at the end of the war (the children may conduct further research to help them decide what to bring).

We hope to provide a range of entertainment and that you will enjoy celebrating the children's learning with us. In order to make this authentic, we would like the children to come to school that day dressed in WWII costume.

In addition, we would like to invite grandparents or even great grandparents who may have memories, artefacts, clothing etc. that they would be able to share with the children. We feel that this would be a wonderful opportunity for the children to learn from older generations, as well as strengthening links within our community.

We very much hope you will be able to attend. Please let us know if you have any specific requirements, such as disabled access. Also, if you intend to bring along large items (at least one vehicle has already been offered!) please let us know in advance so that we can make the appropriate arrangements.

Thank you in advance for your continued support.

The Year 5/6 team
