Dear Parents/Carers,

## Year 2 Easter Homework challenges

Thank you to all parents who attending the Year 2 assessment sessions. Everyone should now have received a 'top tips' booklet about how to support your children on the build-up to the Year 2 assessments. You can view the presentation and 'top tips' booklet on the Year 1 and 2 page of the website.

Following discussions at the information session, we felt it would be beneficial to provide you with some activities which your child could carry out over the Easter holiday break. A key message from us was to ensure the children are well rested and enjoy a well-deserved break. However, short activities 'little and often' can go a long way in keeping the children's knowledge and understanding ticking over.

This week your child will bring home a booklet with some short activities. This is not compulsory but we strongly recommend you use this as a tool to support your child. Any work completed will be acknowledged but not marked in depth.

Thank you for your continued support.

Yours sincerely,

The Key Stage One Team
