19th October 2017

Dear Parents/Carers

Year 6 Trip to Life Skills Centre in Bristol

We have organised a visit to the Life Skills Centre in Bristol for our Year 6. It is a chance for the children to experience challenging situations in a safe and protected environment. The session provides a crucial teaching of 'life skills' and is extremely beneficial to the children.

Date: Monday 6th November 2017

Time: Leave school at 11.15am and back at approximately 4pm.

Lunch: Please bring a packed lunch and water bottle.

Uniform: Normal school uniform applies. Girls will need trousers as some of the situations require physical activity.

Cost: £12.00 payable online and please indicate in comments if you are able to help.

The children in previous years have always commented on, not only how fun the day was, but also how much they had learnt so we are all looking forward to the day.

Yours sincerely

Year 5/6 Team
