Dear Parents and Carers,

On Wednesday 23rd May, a regional orienteering event will be taking place in Fishponds, Bristol, to celebrate World Orienteering Day.

All Year 5 & 6 children are invited to take part and we feel that this would be an exciting opportunity for your child.

The event will take place from 12.00 to 3.30 pm.

As this is a voluntary event, we would like to encourage as many children as possible to take part, but parents and carers will be responsible for transporting their child to and from the event. There will, of course, be sufficient school staff present to supervise the children at the event.

Children will need to leave school at around 11am on the day and take a packed lunch with them, along with a plentiful supply of water, sun hat and sun cream.

If you would like your child to take part in this event, there will be a minimal cost of £1.

Please indicate below if your child would like to attend the event and you are able to transport them to and from Bristol.

If you would like your child to take part, but are unable to arrange transport, please indicate below and, although we are unable to guarantee transport, we may be able to put you in touch with other parents who are attending.

Thank you for your continued support.
